- 6) Each of your references (including supervisors) should complete the reference form and return it to you in a sealed envelope with their signature across the seal. This assures the Board of the confidentiality and integrity of the referencing process. You will then include these reference forms (in their sealed envelopes) with your application and any other required material. The board will **NOT** accept references that are not in sealed signed envelopes.

By regulation, two of your references shall be from social workers licensed (or licensable) at or above your intended level of licensure. The professional references shall be familiar with your work as a social worker.

- 11) The forms necessary to arrange for special accommodations are included in the ASWB Candidate Handbook that you receive when approved to sit for the examination.
