## **BEHAVIORAL SCIENCES REGULATORY BOARD**

### **FILING OF CLINICAL SUPERVISION TRAINING PLAN**

In order to begin accruing hours and working toward the LSCSW you must submit a training plan for pre-approval to the Board.

The Board strongly recommends that you receive a broad based, varied work experience during your supervised postgraduate experience.

- There is no fee to file a Clinical Supervision Training Plan.
- The Clinical Supervision Training Plan needs to be completed by you and your supervisor(s).
- You and your supervisor(s) will need to read the statutes and regulations prior to completing the training plan. Please see K.A.R. 102-2-8(d) and 102-2-12 for supervision requirements and clinical licensure requirements. The regulations may be found on our website [www.ksbsrb.org](http://www.ksbsrb.org)
- **You must attach an official job description with your training plan.**
- If you intend to use videoconferencing for a portion of your supervision you must provide written verification of the technological security measure implemented to protect confidentiality.
- You must receive approval, in writing, from the Board before you may begin counting supervision hours.
- You will be notified in writing by the Board office within 30 days regarding approval of your training plan. If you have not received notification within 30 days, please contact the board office.
- Once the training plan has been approved you must notify the Board with any changes. Any changes to the approved training plan must be submitted **within 45 days of the change** or the hours accrued during that time period will not be counted.
- All supervision requirements must be completed in not less than two years and not more than six years. If you have not completed the supervision requirements within the six year maximum, your accrued hours will begin to drop off month by month.
- Once all of the supervision requirements have been completed you may apply for the LSCSW and take the exam at any time. You are not required to apply for the LSCSW or take the exam within a specified amount of time.
