True or False

Directions: Circle the T if the statement is True and F if the statement is False. Place the referenced regulation after each statement.

- T F 1. Unprofessional conduct may be a concern when licensed marriage and family therapists treat clients, students, or supervisees in a cruel manner.
- T F 2. A licensed marriage and family therapist practicing privately, but working for a public agency, must inform a client that the same services are available through the agency.
- T F 3. A licensed marriage and family therapist may use alcoholic liquor so long as one does not do so while performing their professional duties.
- T F 4. A licensed marriage and family therapist must not engage in sexual activities with a person who has been a client within the past 36 months.
- T F 5. A licensed marriage and family therapist must not allow any person to share in fees for professional services.
- T F 6. A licensed marriage and family therapist could be found guilty of unprofessional conduct by claiming to use any secret or special method of treatment that one refuses to disclose to the board.
- T F 7. It is not necessary to inform a client that therapy is being provided under supervision.
- T F 8. When a marriage and family therapist's license expires, the therapist has six months to discontinue practice.
- T F 9. A licensed marriage and family therapist must refrain from ordering tests, procedures, or treatments which are not warranted by the condition, best interests, or preferences of the client.
- T F 10. Unless otherwise provided by law, a licensed marriage and family therapist must retain client records for at least three years.
- T F 11. A training plan must be approved in writing by the BSRB prior to the commencement of accruing post-graduate supervised hours for clinical licensure.
- T F 12. A clinical supervisor cannot have a dual relationship with a supervisee.
- T F 13. A supervisor is required to pass a supervision training course prior to becoming a supervisor.
