True or False

Directions: Circle the T if the statement is True and F if the statement is False. Place the referenced regulation after each statement.

- T F 1. Unprofessional conduct may be a concern when licensed social workers treat clients, students, or supervisees in a harsh or hurtful manner.
- T F 2. A licensed social worker practicing privately, but working for an agency, must inform a client that the same services are available through the agency.
- T F 3. A licensed social worker may use alcoholic liquor so long as they don't do so while performing their professional duties.
- T F 4. A licensed social worker must not engage in sexual activities with a person who has been a client within the past 36 months.
- T F 5. A licensed social worker must not allow any person to share in fees for professional services.
- T F 6. A licensed social worker should never abandon or neglect a client under or in need of professional care without making reasonable arrangements for such care.
- T F 7. It is not necessary to inform a client that social work services are being provided under supervision.
- T F 8. When a social worker's license expires, the social worker has six months to discontinue practice.
- T F 9. A social worker must refrain from ordering tests, procedures, or treatment that are not warranted by the condition, best interests, or preferences of the client.
- T F 10. Unless otherwise provided by law, a licensed social worker must retain client records for at least three years.
- T F 11. A training plan must be approved in writing by the BSRB prior to the commencement of accruing post-graduate supervised hours for clinical licensure.
- T F 12. A clinical supervisor cannot have a dual relationship with a supervisee.
- T F 13. A supervisor is required to pass a supervision training course prior to becoming a supervisor.
