

65-5807. Waiver of requirements; when authorized.

(a) The board may issue a license to an individual who is currently registered, certified or licensed to practice professional counseling in another jurisdiction if the board determines that;

(1) The standards for registration, certification or licensure to practice professional counseling

in the other jurisdiction are substantially equivalent to the requirements of this state; or

(2) the applicant demonstrates on forms provided by the board compliance with the following

standards as adopted by the board;

(A) Continuous registration, certification or licensure to practice professional counseling during

the five years immediately preceding the application with at least the minimum professional

experience as established by rules and regulations of the board;

(B) the absence of disciplinary actions of a serious nature brought by a registration, certification, or licensing board or agency; and

(C) a masters degree in counseling from a regionally accredited university or college.

(b) Applicants for licensure as a clinical professional counselor shall additionally demonstrate competence to diagnosis and treat mental disorders through meeting the requirements of either paragraph (1) or (2) of subsection (a) and at least two of the following areas acceptable to the board;

(1) Either graduate coursework as established by rules and regulations of the board or passing a national clinical examination approved by the board;

(2) Three years of clinical practices with demonstrated experience in diagnosing or treating mental disorders; or

(3) Attestation from a professional licensed to diagnosis and treat mental disorders in independent practice or licensed to practice medicine and surgery stating that the applicant is competent to diagnosis and treat mental disorders.

(c) An applicant for a license under this section shall pay an application fee established by the board under K.S.A. 65-5808 and amendments thereto.
